

Christmas 2020 - Greetings everyone. No newsletter this year since it has been a rather sparse year for activities, but we are happy to let everyone know we are well and safe. The COVID pandemic has at worst been a minor inconvenience for us - but we are very mindful that for millions of others in the U.S. and around the world, this has been a year of great sadness and hardship. We hope you have been spared and we sincerely hope 2021 will be a much better year for everyone. Wishing you and your loved ones a Merry Christmas and Happy and Healthy New Year. **Chad & Linda**
