

Merry Christmas!

Dec 2022

Happy Holidays everyone! We hope you have had a safe and enjoyable year and are looking forward to a Happy and Healthy New Year.

Its been a good year for us. We have eased out of COVID hibernation and managed a few trips to visit family and friends, including a Swedberg reunion in Illinois, Linda's (almost) annual visit to Gulf Shores with high school girl friends, and a wonderful few days visiting friends in Santa Fe - what a wonderful city!

In return we have had several visits by family & friends which we very much enjoy as it gives us a chance to show off our local piece of paradise and gets us "out&about" as well. Whether our place or yours, its always nice to get together with family and friends.

No bucket list trips this year but we've scheduled two for next year: Italy in May and a cruise around the British Isles in August. We are more than ready for these! Favored endeavors keep us active locally - Chad with his volunteer tax work and Habitat for Humanity plus golf at every chance he gets; Linda with her volunteer political group (in an election year!) and horses boarded about 25 miles from home. Unfortunately, Linda was tripped up by one of our dogs in May and broke her elbow and (discovered 3 months later) knee-cap. That has limited her time with the horses but the good news is she has or is healing well. Linda has had multiple injuries and surgeries over the past few years but we are confident 2023 will be her return to full and active health.

Despite some setbacks we are mindful of our reasonably good heath as we sadly have said goodbye this year to several life-long friends, schoolmates, military comrades, and neighbors. Our thoughts and good wishes to all of you who lost a loved one. We hope the Holiday Season brings you joy through many fond memories.

And that's a wrap for 2022. Here's a toast to you and a great year ahead.
